UNITED'S NORTHERN OPERATIONS ACHIEVES MAJOR MILESTONE

March 31, 2010

S. Jorstad, Chairman, President and Chief Executive Officer of United Protection Security Group Inc. (UPSG) is pleased to announce the achievement of a significant revenue milestone for its Northern First Nations Division **breaking the \$1,000,000 mark for the month of February 2010.**

Mr. Jorstad stated "Our Northern Industrial Division of United Protection, lead by Earl John, VP of Aboriginal Affairs has experienced unprecedented growth in the last several months exceeding 25% in the last three months alone. Our longstanding relationships with our industrial partners in Northern Alberta and Northern BC are proving very favourable to our continued growth in these areas. There are several major expansions to current projects scheduled for this spring which will increase our manpower requirements significantly. The activity in the bundling of our core services with security solutions is also very encouraging. The achievement of monthly revenues exceeding \$1,000,000 for our northern industrial division demonstrates the continued confidence our clients place in high quality well trained local personnel with results that exceed their expectations."

Earl John, VP of Aboriginal Affairs commented; "The United First Nations Corp is well positioned in Northern Alberta and has established many great relationships with major oil sands, camp and pipeline companies. We continue to expand our operations and continue to grow our business each month. The milestone achieved in February was a great achievement and was achieved as a result of the hard work and dedication of all of our staff including our Whistler BC operation. We expect to break even more significant milestones throughout 2010 and beyond."
