

United Protection Services

Canada's most diverse security provider

1-877-465-1708

Complementary Services

Integrated Security Systems

Includes the provision of card access systems, proximity readers and cards, turnstiles and time and attendance programs. These can be integrated with alarm panels, CCTV software and other monitored or non-monitored recording devices. We use one of the most modern and stable platforms available.

Loss Prevention and Integrity Shopping

A requirement for any well run, cost conscious retail environment where "shrinkage" and internal and external theft is of concern. United's highly-trained **Loss Prevention Officers** can provide discreet undercover service with excellent reports and a track record of product recovery. We provide loss prevention services, averaging over 1,000 arrests annually, as well as theft deterrence, mystery shoppers, integrity audits and theft investigations.

Private Investigations

Another choice to complement our full suite of services. We have a wide range of licensed private investigators available to provide the simplest surveillance to detailed forensic audits at competitive rates.

Special Services

A label we use to combine our threat, risk assessment and consulting units. Whether you require a security audit, full labour dispute planning, contingency or disaster recovery plans or assistance with designing a detailed security program for a new facility United Protection has the specialists available to meet your every need. We have provided full labour dispute services to over 20 major labour disputes in Western Canada.

Pricing is based upon the needs of each client and may vary from site to site.
