Uniform Security Protection

Our Uniform Security force ranks as one of the best in the industry. United officers are fully trained and qualified in First Aid, CPR, WHMIS, BST 1 & 2 (BC) and up-to-date security training programs provided by the **Security Officer Career College** which is a recognized vocational college with Alberta Advanced Education. Our E-learning training programs allow all officers to participate in current training regardless of location. Site qualification requirements such as CSTS, Confined Space and Entry & Rescue, Advanced First Aid, EMR and EMT certification can be obtained in-house utilizing our Security Officer Career College. Additional services offered include by-law and traffic enforcement utilizing vehicle and bicycle patrols.

Our guards provide service to a wide array of clients including government buildings, retail shopping malls, educational facilities, heavy industrial sites (urban and remote locations), airports, pipelines, construction sites, financial institutions, rail and trucking yards, restaurants, sports facilities and labour disputes.

Our specialization of services and "target hiring" for individual clients separates us from the competition. United Protection insures that the qualities required of our site placements meet the needs of our clients.

Guard Training

United Protection Services provides comprehensive training to all guards and staff, pursuant to employment requirements and client needs. Guards receive Basic Induction Training, Pre-site Placement Training, First Aid, CPR and WHMIS. Other training provided, depending on placement, may include H₂S Alive, Confined Space, Defensive Driving, Crisis Intervention and Emotional Intelligence. United also provides continuous online E-Learning to all guards and staff. Incentives are offered to new hires with experience and acquired skills.

Deployment of staff and equipment is discussed with each client upon agreement of services. United Protection has a history of working with new clients to integrate security staff from their previous provider (if requested) and new hires receive the respect, benefits and welcoming atmosphere that comes from working with the United team. Our uniform is distinctive, with LAPD blue fabric and trademark gold and blue cresting on the shoulder flash.

Pricing is based upon the needs of each client and may vary from site to site.
